

Sanctioned by Singapore Swimming Association, The Flippa Ball Carnival is jointly organised by Singapore Water Polo and Speedi Swim Aquatic Sports Club.

The one day carnival aims to promote fun and introduce juniors to the game by providing them a platform where they can enjoy and encourage them to pursue water polo.

Flippa Ball is a modified version of water polo for beginners. It is played in the shallow end of the pool so that children may use the bottom of the pool to rest and for added security and safety. Through participation in Flippa Ball, children will learn and develop skills that are needed for Water Polo with greater ease.

A total of 9 participating teams, comprising of affiliates and primary schools will be playing against each other for top billing in this first co-organised event.

The Flippa Ball Carnival will be held at Singapore Sports School on 28 March 2010 from 2pm to 6pm. Admission is free and public are welcome to come catch the players in action.
